

ICOLD 26th Congress & 86th Annual Meeting in Vienna, Austria

29th June – 7th July 2018

And if Prague isn't enough or you have something else on then why not consider Vienna. In 2018 the Annual Meeting and Congress will be in Vienna between 29th June and 7th July.

Here we will have the opportunity to submit papers – so watch for further notices on this. Once the Prague event is over the Final Bulletin for Vienna will be published and that will invite abstracts for papers for the 'questions' being discussed in Vienna. It would be good if we got a number of papers from BDS accepted for publication but also presented.

Again Vienna is relatively close to the UK to make it easy and relatively cheap to go to – and who knows you could be standing in front of 1,000 + delegates telling them about your interests/most important job etc. etc.

So, watch this space, think about a paper you might be able to offer, block out our diary and book the flights!

Best regards
