# 15<sup>th</sup> SUPERVISING ENGINEERS' FORUM

## COVID PRECAUTIONS

The BDS 15<sup>th</sup> Supervising Engineers' Forum is to take place on Thursday 16<sup>th</sup> September 2021 at the University of Nottingham. To reduce the risk to delegates and staff, the following precautions will be implemented: -

### Pre-Arrival

If you feel unwell or are displaying Covid-19 symptoms, please do not travel to the event or to campus. If you or anyone in your household has Covid-19 symptoms you must self-isolate (this means staying at home).

Upon arrival, you must demonstrate your Covid-19 status to gain entry in ONE of the following ways:

1. Full vaccination (first and second dose), and with the second dose administered at least 14 days before your visit. You can demonstrate this via your NHS Covid Pass on the NHS App, via your downloaded status from the NHS website or GP letter; or
2. A negative lateral flow test taken within 48 hours of your visit demonstrated via your NHS Covid Pass on the NHS App or via an NHS text/email; or
3. Proof of natural immunity (positive PCR test within the last six months, after self-isolation has ended and up to 180 days after taking the test). You can demonstrate this via your NHS Covid Pass on the NHS App.

It's quick and simple to demonstrate your Covid-19 status using the NHS Covid Pass. There are three simple ways to access it, but we advise that you do this BEFORE you attend the event.

Please note that failure to provide evidence of your Covid-19 status may result in you being refused entry without a refund. If you, or any members of your booking, are unable or unwilling to provide evidence of Covid-19 status, please contact us as soon as possible.

### **Masks and face coverings**

Whilst the wearing of face coverings is no longer mandatory, we strongly recommend that all delegates, unless exempt, wear a face covering when not presenting, drinking or eating.

We also ask you to respect people's choices and wishes and follow any directions provided.

### **Follow Campus Signage**

Signs and instructions are in place around the University campus to keep you - and those around you - safe; please ensure that you follow all relevant guidance.

### **Dining Hall**

When meals and refreshments are served, you are encouraged to follow social distancing whilst queuing and when moving around, and wear a face mask (unless exempt).

### **Maintain Social Distancing**

We encourage you to maintain social distancing at all times.

### **Sanitisation, Cleaning and Directional Measures**

All staff and delegates are encouraged to wear face coverings, unless exempt. All University staff are required to wash /sanitise their hands more frequently (i.e. hourly or more).

Sanitising stations (with more than 60% alcohol based gels) will be located near main entrances, reception desks, lifts and all meeting rooms. All public areas, including toilets have enhanced cleaning scheduled throughout the day

### **Isolation and Reporting Advice**

If you become ill whilst on site with symptoms of Covid-19, you must isolate immediately and contact the Event Organiser.
