The British Dam Society

Synopsis

The UK is an active member of ICOLD, contributing to the development of bulletins via the various ICOLD Technical Committees. This evening event will consist of a series of short presentations from the UK representatives of these technical committees. These talks will provide updates on recent developments in the respective committees with a brief overview of any new or emerging ICOLD bulletins.

Presenter	Topic
David Littlemore	Recent changes to the ICOLD Board Current Technical Committee vacancies Future ICOLD events
Viktor Pavlov	Committee C: Hydraulics for Dams: Introduction to Bulletin 176 'Blockage of reservoir outlets by floating debris' and updates on a new bulletin on the structural design of spillway chutes.
Jonathan Simm & Adrian Rushworth	Committee LE: Levees: Overview of draft bulletins on 'Levees around the world' and 'Comparison of dams and levees'.
Andrew Pepper	Committee O: - World Register on Dams Update on the register and recent developments
Ian Hope	Committee Q: Dam Surveillance: Update on latest committee activities and testing by Vattenfall / Lulea University of a new dam in Sweden.
Alan Warren	Committee S: Flood Evaluation & Dam Safety: Update on three bulletins at varying stages of development.
Kyle McLean	Committee ZX2: Young Engineers: Update on current initiatives and recent activities.
