#BDSMonday

Due to the unfortunate cancellation of the 2020 conference, the BDS has decided to host a number of lunchtime webinars throughout September 2020 to showcase some of the papers we received in preparation for the conference.

There will be a session held every Monday starting on the 7th of September in the run up to our AGM meeting and virtual Binnie Lecture by John Gosden on the 5th October 2020.

Legislation Updates and Flood Detention Reservoirs

Within this session there are legislation updates followed by 3 papers that discuss the design, reliability and remediation of Flood Detention Reservoir's.
