

**ICOLD COMMITTEES – JUNE 2017 - UK REPRESENTATION**

|     | <b>ICOLD Committees</b>   | <b>Chairman</b> | <b>Country</b> | <b>UK Representative</b>                    |
|-----|---|-----------------|----------------|---|
| A   | Computational Aspects of Analysis and Design of Dams                          | A Carrere       | France         | Loizos Pelecanos                            |
| B   | Seismic Aspects of Dam Design   | M Wieland       | Switzerland    | Ljiljana Spasic-Gril                        |
| C   | Hydraulics for Dams   | B P Machado     | Brazil         | <i>Representative awaiting confirmation</i> |
| D   | Concrete for Dams   | R Charlwood     | USA            | Malcolm Dunstan                             |
| E   | Embankment Dams   | J P Tournier    | Canada         | Rod Bridle                                  |
| F   | Engineering activities with the planning process for water resources projects |                 |                | <i>No UK representative</i>                 |
| G   | Environment   | J-P Chabal      | France         | Tracey Williamson                           |
| H   | Dam Safety  | A Zielinski     | Canada         | Andy Hughes                                 |
| I   | Public Safety around Dams   | A Bennett       | Canada         | <i>Representative awaiting confirmation</i> |
| J   | Sedimentation of Reservoirs   | VACANT          |                | <i>No UK representative</i>                 |
| K   | Integrated Operation of Hydropower Stations and Reservoirs                    | G Ruggieri      | Italy          | <i>No UK representative</i>                 |
| L   | Tailings Dams and Waste Lagoons   | R Williamson    | South Africa   | Mike Cambridge                              |
| M   | Operation, Maintenance and Rehabilitation of Dams                             | P Cummins       | Australia      | Craig Goff                                  |
| N   | Public Awareness and Education  | P Mulvilhill    | New Zealand    | Alison Bartle                               |
| O   | World Register of Dams and Documentation                                      | W Floegl        | Austria        | Andrew Pepper                               |
| P   | Cemented Material Dams  |                 |                | Peter Mason                                 |
| Q   | Dam Surveillance  | M A Pujol       | Argentina      | Ian Hope                                    |
| R   | Multipurpose Water Storage  |                 |                | Craig Scott                                 |
| S   | Flood evaluation and Dam Safety   | C Guilaud       | Canada         | Alan Warren                                 |
| T   | Prospective and new challenges for dams and reservoir in the 21st century     | C D Thatte      | India          | <i>No UK representative</i>                 |
| U   | Dams and River Basin Management   | E Cifres        | Spain          | <i>No UK representative</i>                 |
| V   | Hydromechanical Equipment   |                 |                | Ken Grubb                                   |
| W   | Selection of Dam Type   | O Berthelsen    | UK             | Peter Mason                                 |
| Y   | Global Climate Change   | R Lemons        | USA            | <i>No UK representative</i>                 |
| Z   | Capacity Building   | A Nombre        | Burkino Faso   | <i>No UK representative</i>                 |
| ZX2 | Young Engineers   |                 |                | Sam Tudor                                   |
