

BRITISH DAM SOCIETY 21st BIENNIAL CONFERENCE**CALL FOR PAPERS*****Dams and Reservoirs in a Climate of Change***

To be held at:

UNIVERSITY OF NOTTINGHAM

On

Wednesday 14th September to Saturday 17th September 2022

For the 2022 conference the BDS wishes to reflect on how we rise to the challenges within the industry. This may be driven by specific reservoir events, introductions of new legislation, guidance, sharing of best practice and current views on a sustainable carbon neutral world.

Papers are invited to cover examples of and developments in the following topics:

- **Legislation, research and guidance**
- **Extending the lifespan of assets**
- **Reactive response/remedial works**
- **Reservoir societal and environmental impacts**
- **Reservoir operation, maintenance and surveillance**
- **Reservoir instrumentation and investigation**
- **Dam practice - challenges and opportunities**

Authors wishing to prepare papers or short technical notes are invited to submit their synopses of not more than 250 words to Andrew Thompson, the BDS Honorary Technical Secretary, by e-mail (hontechsec@britishdams.org). Information should include

- the provisional title of the paper,
- 250 word synopsis,
- Author's name, telephone and e-mail address.

Receipt of your synopsis will be acknowledged.

Synopses should be submitted by 21st January 2022

Authors will be informed of whether their synopsis has been accepted by the end of January 2022.

Completed papers will be required by 1st May 2022

All accepted papers will be published in the Conference Proceedings
